After login you arrive at the personal start screen **Today**. It gets you into your work in a single tap. The bottom navigation switches between three areas:

Tab	Content
Today	greeting, favourites, recently opened records, open task lists
Dashboard	charts and key figures (see Dashboard)
Business objects	all business objects, grouped by main menu point

Elements on „Today“

- **Favourites** – quick access to frequently used objects.
- **Recently opened** – reopen the latest records directly.
- **Task lists** – open tasks/deadlines at a glance.

 **Connection**
An offline hint (connectivity banner) appears automatically when there is no connection to the server.
