Under **Legal** (reachable from Settings and before login) the app gathers the legal texts required for app-store distribution.

- **Imprint** per § 5 DDG, with tappable phone, e-mail and web entries.
- **Privacy policy** (GDPR), shown inline.
- **EULA** (end-user license agreement), shown inline.
- **Terms and conditions** (AGB), shown inline – tailored to a paid subscription obtained via the app store (incl. trial, right of withdrawal, term /cancellation).

Data processing

The app connects only to the Nuclos server you configure. Personal data entered in the business objects is processed by that server's operator – not by the app provider.
