#### Machine-translated – under review

This page was machine-translated from German as a first draft and is currently under review. The authoritative source remains the **German original** (see the language switch above).

With incomplete integration or data inconsistencies, errors and problems can occur when operating the SEPA Nuclet.

Here is the list of all possible errors, with notes on how to solve these problems.

Possible variable parts of the error messages are represented by "..." in this overview.

| Error code  | Error message                                                                           | Cause and solution          |
|-------------|-----------------------------------------------------------------------------------------|-----------------------------|
| SPA.422.001 | SEPA order type ... is missing (SPA.422.001)!                                           | <a href="#">see details</a> |
| SPA.422.002 | SEPA order type ... is not unique (SPA.422.002)!                                        | <a href="#">see details</a> |
| SPA.422.003 | SEPA order type ... (...) is not supported (SPA.422.003)!                               | <a href="#">see details</a> |
| SPA.422.004 | SEPA payment type ... is missing (SPA.422.004)!                                         | <a href="#">see details</a> |
| SPA.422.005 | SEPA payment type ... is not unique (SPA.422.005)!                                      | <a href="#">see details</a> |
| SPA.422.006 | SEPA time zone ... is missing (SPA.472.006)!                                            | <a href="#">see details</a> |
| SPA.422.007 | SEPA time zone ... is not unique (SPA.472.007)!                                         | <a href="#">see details</a> |
| SPA.482.001 | No class defined in method ... .getWrappedClass() (SPA.482.001)!                        | <a href="#">see details</a> |
| SPA.482.002 | No attribute defined in method ... .getSEPAPaymentInformationAttribute() (SPA.482.002)! | <a href="#">see details</a> |
| SPA.483.001 | Instance of ... might not have been initialised (SPA.483.001)!                          | <a href="#">see details</a> |
