 **Machine-translated – under review**

This page was machine-translated from German as a first draft and is currently under review. The authoritative source remains the **German original** (see the language switch above).

Necessary integration steps

The integration of the CSV Export Nuclet is done in 4 steps:

- [3.1 Nuclet import](#)
- [3.2 Object imports](#)
- [3.3 Setting up an output directory](#)
- [3.4 Specific adjustments \(optional\)](#)

All integration steps are explained in detail in the subordinate sections.
