 **Machine-translated – under review**

This page was machine-translated from German as a first draft and is currently under review. The authoritative source remains the **German original** (see the language switch above).

Error message	Empty reference number for reference with ID ... (940.998.001)!
Cause	The reference object with the specified database ID has no (or an empty) reference number set.
Solution	The cause of the error is probably that some reference objects exist without a reference number.
