 Machine-translated – under review

This page was machine-translated from German as a first draft and is currently under review. The authoritative source remains the **German original** (see the language switch above).

Error message	Cannot parse entry date from line ... (opening balance) (940.999.001)!
Cause	The booking date cannot be determined from the specified line (opening balance).
Solution	Possible causes could be: - the imported MT940 file has an unexpected (or currently not yet supported) format - the data content of the MT940 file to be imported is not valid
