Machine-translated – under review

This page was machine-translated from German as a first draft and is currently under review. The authoritative source remains the **German original** (see the language switch above).

Error message	Export type ... is not supported (DTV.492.001)!
Cause	The application logic is not adapted to the "DATEV Export Type" used.
Solution	- Please check the export types used (from the master data table "DATEV Export Type"): You may be using an export type to which the application logic still needs to be adapted. - Please check integration step 4.9.2 under "4.9 DATEV: Integration - Specific extensions".
