Machine-translated – under review

This page was machine-translated from German as a first draft and is currently under review. The authoritative source remains the **German original** (see the language switch above).

Error message	<i>Error on closing file ... (DTV.461.002)!</i>
Cause	The Nuclos service cannot close the specified file (or file path) again after a write operation.
Solution	• Please check the file path for correctness. • Possibly an incorrect output directory is specified in the DATEV export. • Please check the access rights in the specified file path. • Please check the integration step "4.6 DATEV: Integration - File system".
